### Matthew 5:13-16

You are the salt of the Earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything except to be thrown out and trampled underfoot. 14 You are the light of the world. A city on a hill cannot be hidden. 15 Neither do people light a lamp and put it under a bowl. Instead they put it on its stand and it gives light to everyone in the house. 16 In the same way, let your life shine before others that they may see your good deeds and praise your Father in heaven.

### Salt & Light

In Matthew 5:13-16, Jesus says his followers are salt and light. What are we called to do as salt and light? Salt and light can exist without being effective. They only fulfill their purpose and become effective when they are applied. Jesus expects us to utilize our salt and light. First, we must be sure that our salt is salty and our light is shining. How do we do that?

Saltiness comes from allowing the Holy Spirit to apply scriptures we study to our life so our attitudes are obedient to God's principles and commands. For example, in our food we can readily taste the difference between salted and unsalted butter. The salt of Jesus should be just as distinctive and readily apparent in our lives. And like salt in our food, the Jesus within us should make us more "tasty" to those we encounter.

Our light should reflect THE LIGHT of Jesus by submitting to the Holy Spirit's direction to make our actions extend from our Jesus attitudes as we conform to God's word and principles. Light is always very noticeable in dark areas. Our light should be like a Lighthouse in our contact with the darkened world.

Amen
